INTRODUCING

# THE EVAC+CHAIR MK5

18/08/2020

Evac+Chair - A division of Evac+Chair International Limited.

DESIGNED & MANUFACTURED  
IN THE UK

# Evac+Chair MK5. Even safer. Even better.

**At Evac+Chair we're continually developing and enhancing our products to improve the safety and comfort of our users.**

Following feedback from customers and distributors, we've recently upgraded our range of evacuation chairs. Brand new features include extended hand grips and a completely redesigned hammock to make evacuation from your building even easier, for both passenger and operator.
