## Innovator in One-Stop Home Camera Solution

At Reolink, we firmly believe security matters most and it should be for everyone. That's why we make our security products professional, reliable, affordable, simple, and DIY style.

"Innovator" and "innovative products" are 2 big values to our team. We strive to develop innovative and progressive security camera products that not only reach customers' current demands, but also meet their potential needs. And we believe in "when you're prepared, you prevent".

# reolink

Be Prepared, Be Reolink

- Wire-Free Security Cameras
- WiFi/PoE Security Cameras
- Indoor/Outdoor Home Security Cameras
- Security Camera Systems

# Keep You Connected and Secure Anytime, Anywhere

Reolink is a world leading professional high-tech company providing security products and solutions worldwide. Established in 2009, Reolink has been devoted to providing the finest and innovated security products for home & business owners.

1. Install — 2. Launch — 3. Connect

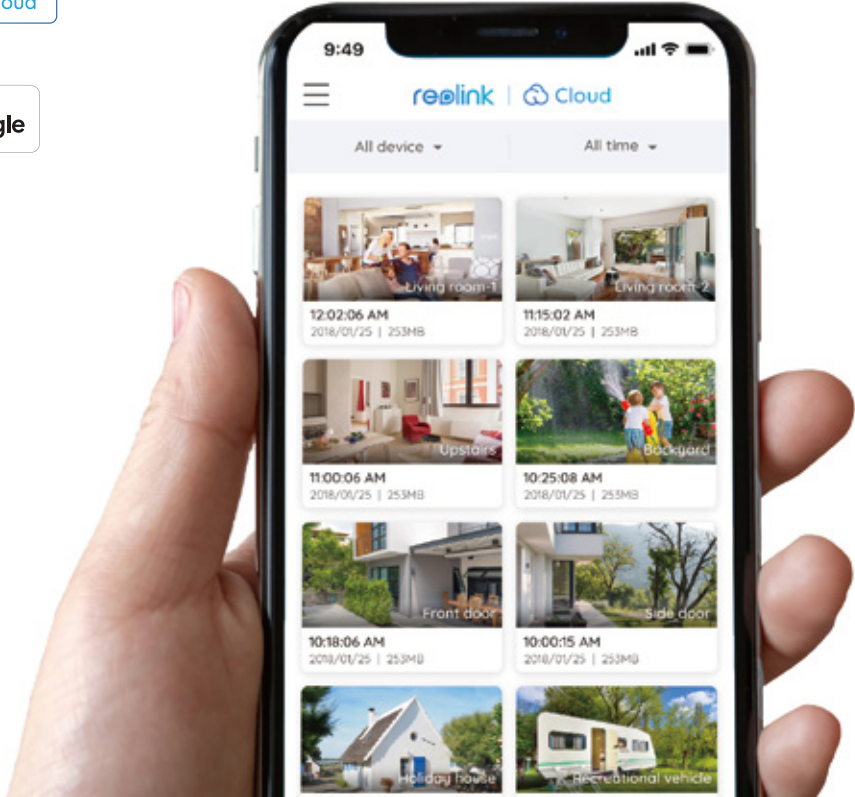

# Control Reolink Cameras Easily with Amazon Alexa & Google Assistant

Reolink cameras now work seamlessly with Amazon Alexa and Google Assistant. You can watch the real-time images of your doorstep, backyard and baby's room on the screen with hands-free voice commands and integrate the Reolink cameras with other smart home devices easily.

\* 7-day free cloud plan

Reolink Dual-Lens Series: Reolink Duo/Duo 4G/Duo WiFi/Duo PoE

2 liner  
1 kamera

# Wire-Free/Wired 2K Dual-Lens Cameras with Ultra Wide View

Equipped with two lenses, Reolink Dual-lens series provide you with a 150° wide viewing angle. You can appreciate much broader images with less distortion. By controlling two displays at the same time, you nearly have everything under control without blind spots.

## 150° Viewing Angle

A wide 150° field of view with less distortion to protect your family.

## 2K 4MP Super HD

2K 4MP high resolution helps get clearer and sharper images or videos.

## Color Night Vision

The infrared LEDs and 8 spotlights allow you to have better visual experience at night. You can see things in full color and know what's really going on.

## Two Way Audio

Built-in mic & speaker allow you to listen & talk to your family in real time.

## Person/Vehicle Detection

Powered by smart motion detection technology, they can distinguish people and vehicles from other objects.

## Various Charging Solutions

Wire-free and wired versions allow you to have convenient charging solutions like battery/solar powered, DC powered and Ethernet powered.

### Reolink Duo

- 4MP Super HD
- 2.4GHz/5GHz Dual-Band WiFi
- 150° Viewing Angle
- Person/Vehicle Detection
- Color Night Vision
- Two Way Audio
- Battery/Solar Powered

### Reolink Duo WiFi

- 4MP Super HD
- 2.4GHz/5GHz Dual-Band WiFi
- 150° Viewing Angle
- Person/Vehicle Detection
- Color Night Vision
- Two Way Audio
- DC Powered

### Reolink Duo 4G

- 4MP Super HD
- 4G LTE Connection
- 150° Viewing Angle
- Person/Vehicle Detection
- Color Night Vision
- Two Way Audio
- Battery/Solar Powered

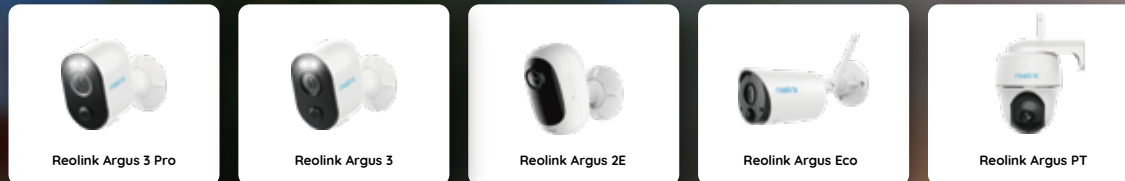

### Reolink Duo PoE

- 4MP Super HD
- 150° Viewing Angle
- Person/Vehicle Detection
- Color Night Vision
- Two Way Audio
- Power over Ethernet

Reolink Argus Series: Argus 3 Pro/Argus 3/Argus 2E/Argus Eco/Argus PT

# 100% Wire-Free Rechargeable Battery Cameras

No cords, no wiring hassles and no power source limit! You can freely place the camera anywhere indoors and outdoors, like in baby's room, pet's room, garage, etc. – quite flexible and portable.

## 100% Wire-Free

No cords and no wiring hassles. You can place it anywhere you like.

## Solar-Powered or Battery-Powered
